

Center for Forensic Psychiatry
Family Education Program

Families Helping Families

The Forensic Center offers a monthly program for families, designed to help families understand mental illness and the system that your loved one has been committed to. We meet on the second Saturday of each month, from 10:00 AM until 12:30 PM. The program provides support, education and understanding. This is a place that you can come to share your feelings, disappointments and angers about the changes that have happened in your family system as a result of mental illness. This is a group of and for family members and significant others that will accept and understand how you feel about your lost dreams, disappointments and fears.

Please join us... Everyone is welcome, no matter what your loved one's legal status!
Meeting time is 10:00 AM until 12:30 PM (visiting hours begin after meeting)

January 9, 2016 **February 13, 2016** **March 12, 2016** **April 9, 2016** **May 14, 2016** **June 11, 2016**
